

PBL- Second Grade  
Lesson: Peaceful and Organized Campus

Day 1

- Students will watch a video of their principal asking for their help in providing a peaceful and organized campus in areas of concern.
- Teacher and students (whole group) will discuss and make a list of campus areas of concern.
- Students will choose their top 3 choices of which areas they would like to research, provide a plan, create and presentation for.
- Later, the teacher will put the students into groups that best fit the student choices with their cooperative personalities.

Day 2

- Students will find out what project they are doing and choose ROLES. They will be put in Teams
- Each team will receive a team folder with an Agreement Form, Teamwork Rubrics, a Project Teamwork Plan Form, and a Materials Request Sheet.
- Students will sign the **Agreement Form** to work well in their team.
- Students will see their **Teamwork Rubric** and will understand that they will fill out a rubric after every PBL session.
- Teams will decide how they are going to want to present their topic (Choices: iMovie, book, poster).
- Students will fill out their **Teamwork Rubric**.

Day 3

- Students will discuss different ways in which they feel they could resolve the area of concern.
- Students will create a survey or interview questions to ask students what they feel the main problems with the areas of concern are and how they feel would be a good way to solve it. They will be required to come up with at least 3 to 5 questions.
- Students will fill out their **Teamwork Rubric**.

Before Day 4

- Teams will meet with the teacher to create a Google Form of their questions. This can be done during Daily 5/Center rotations.
- Teams will decide if they want to give out their survey at recess or go into classrooms to ask teachers to find time for their students to answer their survey.

Day 4

- Teams will look over their collected data and come up with a plan to provide a peaceful and organized solution to their area of concern.
- Teams will fill out the **Project Teamwork Plan** form.
- Teams will fill out their **Materials Request Sheet**.
- Students will fill out their **Teamwork Rubric**.

Days 5 & 6

- Teams will work on their Projects/Presentations.
- Students will fill out their **Teamwork Rubric**.

Day 7

- Teams will practice their presentation in front of their class. They will listen to feedback and discuss making any adjustments needed for the project or presentation.
- Students will fill out their **Teamwork Rubric**.

#### Day 8

- Teams will present to other students on the campus. They may go to classrooms or invite them to their presentation in the MPR.
- Teacher will take pictures of students presenting to others, as well as, put together an iMovie of the PBL experience.
- Students will fill out their **Teamwork Rubric**.

#### Day 9

- Students will present to parents on a specified date.
- Teacher will show an iMovie of their student's PBL experience.
- Students will fill out their **Teamwork Rubric**.
